**Bryn Mawr Delaware Valley Tennis Adult Clinics / Cardio / Match Assist**

The **Doubles'** programs are designed for all levels with the less experienced focusing more on technique, Fun Games and controlled doubles situations. The more advanced students work on movement, strategy, anticipation, some technique and more match play. **Special Offer:** Bring a friend and reduce your price by \$10, bring a 2<sup>nd</sup> friend any week - \$20 off, bring a 3<sup>rd</sup> friend on any week and receive a free clinic.

The **Cardio** program is inexpensive and designed as an intense workout for a 1-hour period of time. No instruction just a lot of encouragement, but it is an opportunity to work on your game through repetitive high-speed drilling. The aerobic workout is very popular so we anticipate clinics filling up.

The **Davis Cup** is scheduled for Tuesdays for teams of two around the same level. Teams will play each other during 1 ½ hours with a format of singles play during the first 45-minutes on 2-courts and the last 45-minutes of doubles play on one-court. Individuals will accumulate points throughout the year and BMDVT will award the winning team from each level **one-free private** during the spring seasons.

**Match Assistance** is available to members and non-members. Call in (610-527-4969) or email: [info@dvta.com](mailto:info@dvta.com) your name, level of play and times available, and we can help assist in setting up singles play at **no charge**, except for the court time.
